

THE GARDENING TUTOR

We're Sprucing Up The Demo Garden!

The Gardening Tutor is pleased to announce that the Demo Garden is included in this year's SCMAAF* self-guided tour of 7 Santa Rosa area gardens. This is a great honor! On most days the Demo Garden is used as a 'classroom' for learning. Typically you'll see a few weeds here and there, but for these two days the garden is going to be looking extra special!

*This year marks the 20th year for the Sonoma County Medical Association Alliance Foundation (SCMAAF) Garden Tour. Proceeds fund grants to many health oriented non-profit organizations in Sonoma County.

A few of the 2011 grant recipients:

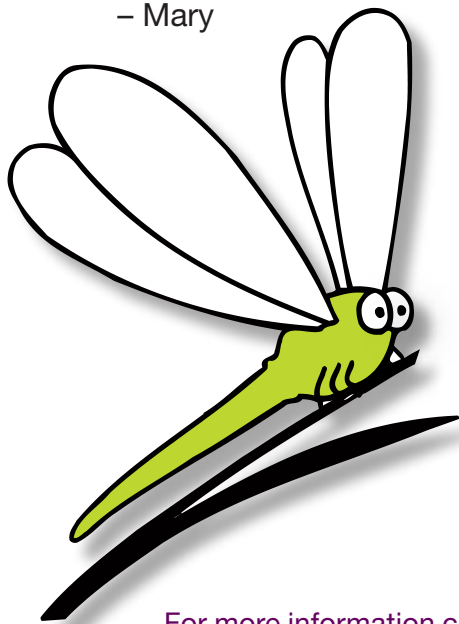

- Redwood Empire Food Bank: Garden Based Nutrition Education
- YWCA: Growing Healthy Kids at a Special Place, Santa Rosa
- Community Health Centers: Health Club for Kids and Teens
